

# Benefits

## For faculty, staff, and students

- Professional development on topics such as Engagement 101, building engagement in one's dossier, publishing engaged scholarship, and broader impacts planning
- Emerging Engagement Scholars Workshop, virtual learning throughout the year for anyone at member institutions
- Outreach and Engagement Professionals Network
- ESC small grants program
- ESC awards program
- *Journal of Higher Education Outreach and Engagement* and *Journal of Community Engagement and Scholarship*

## For leaders seeking to institutionalize engaged scholarship

- Engagement Academy for University Leaders
- ESC leadership roles for both current and emerging leaders
- Monthly Engagement Exchange for Leaders: discussion of key areas such as developing university councils, preparing for the Carnegie Engagement Classification, strategic planning for engagement, community-engaged learning supports, and faculty fellows programs

## Annual conference: For everyone!

- Meet with hundreds of like-minded faculty, practitioners, and leaders
- Dozens of presentation opportunities for engaged research and creative arts, teaching, and service
- Pre-conference workshops for skill-building for those doing engaged work with communities and for leaders creating change in their institutions
- Opportunities to host and/or collaborate with institutions in your region to host the conference and highlight local work
