

# THE GRADUATE AND PROFESSIONAL STUDENT

# LEADERSHIP ACCELERATOR

*Connecting leaders, taking action, creating change.*

## DETAILS:

*Learn the basics of program planning at a monthly workshop. Use your newly developed skills to:*

- ✓ **Diagnose** a challenge for graduate and professional students in your department.
- ✓ **Create and facilitate** a program that addresses the challenge.
- ✓ **Evaluate** the program's effectiveness.

## BENEFITS:

- ✓ **Build relationships** with graduate and professional students across departments.
- ✓ **Develop your skillset** in diagnosis, program planning, facilitation, and evaluation.
- ✓ **Strengthen your department** by addressing an existing challenge.
- ✓ **Level up your professional portfolio** by developing a program that creates positive change for other graduate and professional students.
