

## Indigenous Youth Food Sovereignty Program

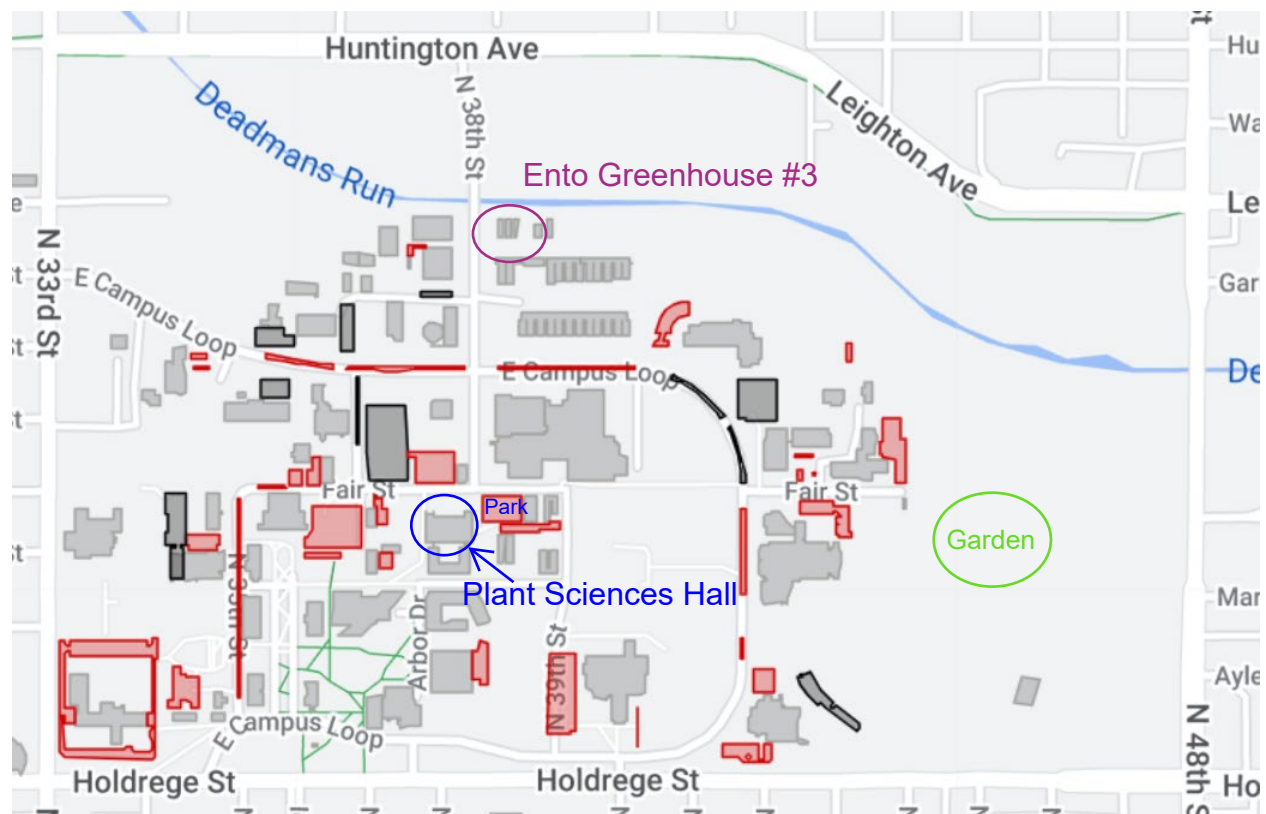

Saturday's 9am – noon

UNL East Campus (1875 N 38<sup>th</sup> St., Lincoln 6850)

Plant Sciences Hall, Room 280

You can park in the lot to the east of Plant Sciences and enter the building on the north side by the parking lot, and then take the elevator or stairs to the second floor to room 280.

On the map, you will also see locations marked for the greenhouse and the garden. We sometimes meet at those locations first and will let you know in our weekly email where we will be meeting.
